

Achievement comes after efforts,
which in turn follow plans.

To envisage it before hand is called a vision.

An Impressive History

Rungta Group of Colleges has an earnest desire to groom every student and make each one not just a man of success but a man of values. I want to ensure that quality education is provided to the people of Chhattisgarh so that they thrive and break away from the shackles of ignorance. Rungta Group of Colleges is homage to my father and my tribute to the society.

Sanjay Rungta
Chairman

The GD Rungta Educational Society (GDRES) started in the year 1999 with a mere initial intake of 240 students has more than 4000 students from different parts of the country and globe on its rolls today. Shri Rai Saheb Richhpalji Rungta and Shri Ghanshyam Dasji Rungta were the founders of GDRES who in all earnest started the service of providing education to the people of Durg and Bhilai and the adjoining areas. Their aim was to bring about an educational reform in this part of the country.

Rungta Educational Complex

'Rungta Educational Complex' is the dream project of the Rungta Management. Spread over 86 acres of land, it is just 5 kilometers and 10 minutes drive away from central Bhilai. The campus is scientifically planned, artistically designed and precisely constructed to be at par with global standards. This vast educational hub is home to three full fledged Engineering Colleges, Dental Hospital and College, College of Pharmacy, College of Science and Technology and is a one of its kind.
